TRUCK PURCHASE VETO SPARKS LIVELY DEBATE

—Extended by Council

Thirty-day veto on the purchase of a new truck by Central Saanich Municipality, which had been imposed by Reeve Sydney Pickles, was extended by the council for a further period at Tuesday evening's council meeting.

Reeve Sydney Pickles, supported by Councillor Ray Lamont, insisted that the financial position of the council does not merit the purchase. Councillor Lorne Thomson and Councillor Willard Mitchell stood out for the acquisition of "at least one new item of equipment."

A storm in a teacup resulted from an incident during fire practice on Monday evening. The volunteer firemen, under the tutelage of Fire Chief Harry McNichol, were driving the fire truck along Wallace Drive, when the motor failed. Post haste, A. Bolster, Brentwood engineer, was called. He arrived, it was reported, at the home of Bert Bickford and left in a hurry to seek the fire truck. In his haste, he struck an irrigation line and damaged it. Problem before council was, who pays for the damage?

Reeve Pickles did not feel that the council could accept responsibility. Councillor Thomson was emphatic in his carte blanche support of the firemen and moved that council foot the bill. Council was (Continued on Page Three)

Win Honors

Eugene L. Lopatecki, of the Dominion Plant Pathology Laboratory at Saanichton, was included in the list of graduates of the University of British Columbia released this week. Mr. Lopatecki gained his master's degree in science (agriculture).

Also included was the name of Walter H. Lewis, of Saanichton, who was awarded an honors degree in arts.

Sidney student, David Bryn-Jones, of All Bay, won a \$75 prize for his essay on "The St. Lawrence Seaway and Its Effects on Transportation". The award was made by the Vancouver Board of Trade.

LIQUOR SHOP IS OPPOSED

—At Ganges

To meet J. A. A. George, one of the organizers of the Progressive Conservative Association, an executive meeting of the Salt Spring Progressive Conservative Association was called, at short notice, last Tuesday, May 8, at Harbour House, Ganges.

Mr. George came to the Island for the purpose of reorganizing the Conservative party and also to arrange for a large luncheon meeting at Harbour House late in June, open to all Conservatives and hear Hon. Herbert Anscomb and Gen. G. R. Pearkes, V.C., speak.

Resolutions

The association approved a resolution requesting the minister of public works to make an immediate investigation into the condition of the main road from Fulford to Ganges and Vesuvius Bay, for it was the opinion of the association, this road is in such a state of disrepair that it is a menace to life and property. Furthermore, a grader should be run over the side roads so that they will be passable while the main roads are being rebuilt, concluded the resolution.

The meeting went on record to oppose the establishment of a liquor store on Salt Spring Island. It was the opinion of the association that Salt Spring Island, with a population of 2,500, could not support more than two licensed hotels and a licensed club.

FIRST SUMMER STALL IS SUCCESSFUL

The I.O.D.E. held the first of its monthly summer stalls on Saturday afternoon, May 5, at Mount Brook store and under the canvas of Mrs. V. C. Best and Miss Frena Atkins, home cooking and garden produce were sold, realizing \$25 for the funds of the Ganges chapter.

The prize in the afternoon contest, a box of home-made candy, was won by Mrs. Arthur Aylwin.

Competition is keen among the seven girls enlisted in the race for queen at the Sidney Diamond Jubilee celebrations. No intimation has been received as to the relative standing of the contestants. The results will not be released until the final days of the queen race, when the name of the winner will be announced.

At a meeting of North Saanich War Memorial Park Board in Sidney school on Monday evening, the sponsors of the celebrations heard the offer of a prize in a whistling competition. "Whistling is a lost art," said the anonymous donor. She offered prize money of \$50 to the successful owner of a whistle de luxe.

Mrs. B. Christian, D. E. Breckenridge and M. Connor asked whether the school pageant might be staged indoors. A vote ruled that it be an outdoor show. As a result the pageant will be reduced in scope.

George Gray was authorized to proceed with the arrangements for a pioneer reunion dinner on Wednesday, June 27. About 40 pioneers of Sidney will be guests of the board and others will be able to attend the banquet.

He's Back In Uniform

After five years of retirement from the Royal Canadian Navy, Lt. J. E. Mason, R.C.N., Dencross Terrace, has returned to duty with the naval arm of Canada's active forces.

The Saanichton sailor has spent 32 years with the Royal Navy and the R.C.N. His further period of service is likely to be three years. On Monday Lt. Mason left for Ottawa. He expects to resume his duties almost immediately. He will tour most parts of eastern Canada with the mobile recruiting unit.

His return to the force has necessitated his resignation from the executive of the Mount Newton Property Owners' Association.

In his new appointment Lt. Mason anticipates the opportunity of renewing his opportunities of training youths in recreational activities. His long service with two navies was largely devoted to physical training and the naval man has not lost interest in youthful recreation.

The Saanichton sailor hopes to be stationed on the West coast again during the course of his service. He was not accompanied by Mrs. Mason on his journey east.

Chimney Fires

Sidney volunteer firemen attended two minor fires during the week. On Thursday at noon they were called out to a chimney fire at the home of the late Mrs. A. M. Vigelius. The fire was extinguished without incident.

On Monday morning at about 8.30 a fire was reported at the home of Mr. and Mrs. J. Elliot, Swartz Bay Road. This also was a chimney fire, which was promptly extinguished.

Fire Chief G. A. Gardner was in charge of the crews on both occasions. In these cases only one fire truck was dispatched from Sidney Fire Hall.

LOGGERS ARE IN HIGH GEAR

—Horth Mountain

More than 20,000 feet of lumber is being sawn daily at mills in North Saanich flourish in the international demand for lumber.

Major contribution is made by Horth Mountain at Deep Cove. A number of logging outfits are currently logging off on the mountain and various others have already completed a program of clearing in this last outpost of timber in Deep Cove. By the end of the year a figure of several million feet may well have been cleared up.

Veteran logger and mill operator E. R. Whalley, has been logging Horth Mountain for a number of years. He does not anticipate that the timber supply in that area is likely to last for an indefinite period.

"Another 18 months will see the end of timber in North Saanich," said Mr. Whalley last week. The logger is the operator of the mill which is to transfer its location from the junction of Swartz Bay and East Saanich Road to Wilson Road in Deep Cove. For a number of years, recalled Mr. Whalley, the mill was located on Horth Mountain, adjacent to the source of lumber.

28 EMPLOYEES OF T.C.A. NOW AT AIRPORT

Staff of Trans-Canada Air Lines at Patricia Bay Airport has recently been increased considerably and its members now total an imposing 28.

Two former T.C.A. radio operators recently became passenger agents at the Sidney airport. They are L. C. McCulloch and A. H. Wilson.

Recent additions to the air cargo staff include: D. D. Forster and D. F. Butler, of Sidney; A. L. Gross and R. C. Sparshatt.

Oil Test In North Saanich

Likely To Drill On Property of James West

An oil test well is to be drilled in North Saanich in the near future. James West, of Weiler Ave., Sidney, told The Review last week that he had discovered indications of oil on his property and that he had been assured by the Standard Oil Company that as soon as a test rig was available further tests would be carried out.

Mr. West, a young-looking man of 73, explained that he was searching for water when he discovered the presence of oil. He was using a metal wire as a diving rod at the time. The rod responded and he realized that it was not in his experience that such a response occurred when using metal except when there was some mineral deposit in the vicinity.

The diver's discovery of oil was confirmed by Charles Armstrong of

East Saanich Road, who is also an experienced water diver. Mr. Armstrong searched the area and selected a point approximately identical with that chosen by the owner. Both men consider that the deposit lies at about 500 feet down.

Mr. West is not new to the search for minerals. For many years he lived in the interior and was associated with the discovery of a number of mineral deposits on the mainland.

Farmer, engineer and traveller, Mr. West is a native of England. He left his home in Yorkshire 52 years ago, settling in Ontario. He has travelled extensively through Canada since his arrival in this country. For many years he was associated with the mines in the Smithers area. He also has many fond memories of the Innumerable

mines in the Barkerville region.

Untold Wealth
"There is untold wealth still lying beneath the surface of the entire province," said the amateur prospector, enthusiastically.

Mr. West is not the only member of his family who has achieved note on the Pacific coast. His uncle the late Mr. Roberts, was the founder of the Black Ball Ferry Line, sailing out of Seattle.

Mr. West explained that his uncle made a stake many years ago in California. He then purchased a vessel and commenced the operation of the line that is known throughout the west coast today.

Living in the new home he built recently, Mr. West and his wife are at 2221, West 10th St., Victoria. The house was built in a month by the septuagenarian.

CENSUS ENUMERATORS FOR THIS AREA ARE APPOINTED

—"Count Noses" In June

W. S. Harrison, of Sidney, census supervisor for Saanich, which district includes some of the Gulf Islands, announced this week the names of enumerators who will "count noses" in this district next month.

Following are the enumerators appointed for the islands, and the territories which they will cover:

HOSPITAL DAY AT REST HAVEN MARKED BY MANY VISITORS

Keen interest which North Saanich residents take in the welfare of their hospital was shown last Thursday when many visitors called at Rest Haven during the annual observation of "Hospital Day" during the afternoon.

The benefit musical program which was presented in the evening attracted an overflow crowd of hundreds of residents in the hospital's attractive lounge.

C. M. Crawford, hospital administrator, acted as chairman and presented some statistics which showed the intimate part Rest Haven has played for many years in the life of the North Saanich community.

Impressive Figures

Since the hospital was started by the Seventh-day Adventist Church, he pointed out, 18,650 patients had been given medical attention in the institution. A total of 1,157 babies had been born in Rest Haven and many are today adults living in various parts of the world. There was an impressive showing of hands on Mr. Crawford's invitation to indicate the number present who had been born in the hospital or whose children had been born there.

The administrator emphasized that every effort was being made to keep the spirit of Florence Nightingale alive in Rest Haven. He paid tribute to the valuable work being done by the staff of Lady Minto Gulf Islands Hospital at Ganges, which he had recently visited.

The musical program, featuring a number of well known North Saanich artists augmented by the

contributions from members of the hospital staff, was well received during the evening.

Invites Support

Arnold Moran, a member of the hospital board, paid a warm tribute to the valuable service given to this community by the Seventh-day Adventist Church in the operation of Rest Haven Hospital. He invited the active support of the community served, stressing the need of a ladies' auxiliary to assist in providing sorely needed additional equipment.

COMMISSIONERS ARE APPOINTED

A. K. Hensstreet, J.P., East Saanich Road, Saanichton, and Sqdn.-Ldr. E. J. McLoughlin, Verdier Ave., Brentwood, were appointed police commissioners for Central Saanich at Tuesday evening's council meeting.

The two men will serve on the commission, of which Reeve Sydney Pickles is the chairman, until the December elections, when the appointments will be filled by the voters. The two vacancies arise as a result of the passing of the Validating Act, recently, by the provincial legislature.

SERVING IN U.S. ARMY UNIT

Former student at North Saanich high school, Robert A. Richardson, of Deep Cove, is now a private serving in the United States army at Fort Leonard Wood in Missouri.

Private Richardson left the North Saanich school about six years ago. He continued his education at Victoria College, before leaving for Chicago. In the latter city he was engaged in various phases of television. Recently the former North Saanich student was called to serve in the army. He has written home on a number of occasions describing his experiences with the United States forces.

The name of Fort Leonard Wood was in the news recently when a soldier was "kidnapped" by his parents from the unit and taken to his home in Chicago. The man had complained of sickness and it was stated that he did not receive immediate treatment at his unit. Later the sick soldier was returned to another army unit, where he underwent treatment for pneumonia.

Mr. Richardson described the routine at the American station. The accent is on training. The draftees are given a concerted training course in the use of weapons and an extensive training in such fundamental tasks as stocking kitchen ranges and other necessary occupations of less appeal are also prominent in the agenda.

The newly-trained soldier does not expect to visit his home in Deep Cove until after he has seen active service in the Far East.

VISITORS FROM THE NORTH
Recent visitors at the home of Mr. and Mrs. N. H. C. Fraser, Curteis Point, were Major and Mrs. C. E. White, of Yellowknife. Major White is manager of the big Consolidated Mining and Smelting Company's mine in the northern centre.

North Saanich High Students Complete Essays

Grade 11 and 12 students at North Saanich high school have just completed job study essays to the number of 41. To be submitted to the guidance section, department of education. Each student makes a report covering all phases of a job in B.C. industry that interests him and then writes a report covering all phases of this job including education required, working conditions, availability of employment, salary, etc.

During the year other essays were written on "Cancer", one on the topic "Why British Columbians Should Buy B.C. Products". Several of the seniors wrote an exam on the "Pacific Rim". It was promoted by the Canadian Pacific Airlines, designed to encourage students to make a special study of the people who live and work around the Pacific.

Lack of time prevented students from participating in an essay test on "Charity" sponsored by the Knights of Pythias, and one on "Democracy", suggested by the Sidney and North Saanich Chamber of Commerce.

Several art competitions employed the students during the year.

Lumber Mill To Change Location

Swartz Bay Mill of E. R. Whalley is to move from its present site at the junction of East Saanich and Swartz Bay Roads to Deep Cove. The new location is on the property of Toby Epp on Meadlands Road at Wilson Road.

Preliminary step in the change of location was made last week when North Saanich Regulated Area Appeal Board approved a request for the rezoning of the new site from residential to industrial. The board met on Wednesday evening of last week at the Beacon Avenue office of the building inspector, W. R. Cannon.

"Twelfth Night"

Exactly 350 years since Shakespeare's own company first acted "Twelfth Night" in the Middle Temple Hall in the City of London, the play was performed again in the same hall recently. The Queen was present. This is a scene during the rehearsal of the play, which was produced by actor-manager Donald Wolfit. Shakespeare's plays will feature prominently among the attractions planned for Festival year, starting with the opening of the Stratford-on-Avon season in March.

In And AROUND TOWN

MRS. W. J. WAKEFIELD - Telephone 140R

Mr. and Mrs. W. H. Starnes of Beaufort Road, in honor of Miss Phyllis Smith, who will be married Saturday, May 19, in West Vancouver. The many gifts were collected in a decorated clothes basket on the top of which was placed a ramp bearing an airplane. Contests were played and a more book passed around in which each guest was asked to place her favorite recipe. At the close of a pleasant evening, delicious refreshments were served by the hostess.

Mr. and Mrs. N. J. Dunlop have returned to their home on Chales Road, Deep Cove, after attending the telephone pioneer convention held recently in Vancouver. Mrs. Dunlop is again leaving for Vancouver to be with her granddaughter who is under a minor operation.

Peter Waugh, of Winnipeg, is a guest at the home of his aunt, Mrs. W. Smart, Third St. Mr. Waugh was one of 38 in Canada to win a British Athlete Fellowship. Five were won by Winnipeg students. He leaves on May 17 for Winnipeg to be back for the convocation exercises and will sail for England in September to continue his studies in engineering.

Mr. and Mrs. Sexton were guests at the home of Mr. and Mrs. Frank Stanton, Beaufort Road, during their absence in Seattle.

John Basher, son of Mr. and Mrs. Jack Basher, Third Street, left last week for Ottawa where he will take a civil service position. A large number of parents attended the Mothers' Day service held by the Deep Cove Sunday school at St. Augustine's Hall, Deep Cove, Sunday morning. Rev. Glover from South Saanich was in the pulpit and spoke on "Mother and the Home". During his talk he proudly produced a well-worn Bible which was presented to him by his mother 31 years ago.

Twenty-seven guests were invited to a kitchen shower held at the home of Mr. and Mrs. P. A. Bodkin.

Mr. and Mrs. C. E. Challis and daughter, Carol, of Patricia Bay, left by motor on Tuesday for Montreal. They will be accompanied by Mrs. Challis' mother, Mrs. Moss, who will sail for her home in England following an extended visit here.

Rev. E. S. Fleming is a Vancouver visitor attending the annual meeting of the B.C. conference of the United Church of Canada.

At the home of Mr. and Mrs. A. W. Jones, East Saanich Road, relatives gathered at a reception held in honor of Mr. and Mrs. Ambrose Readings, who were recently married in Ontario. The three-tiered wedding cake centring a lace-covered table, was surrounded with white tulips, mauve violets, and pink petals and mauve violets, and flanked with white tapers. The bride, on arrival, was presented with a corsage of roses, and during the evening the bride and groom were the recipients of a torchlight lamp. Clamming the event, dainty refreshments were served. Guests present were: Mrs. W. Jones, Mr. and Mrs. R. Readings, Mr. and Mrs. A. Readings, Mr. and Mrs. Bert Readings, Mrs. F. Readings, Mrs. K. Bawick, Mrs. N. Marshall, and Mrs. Marshall, Mr. and Mrs. Ben Marshall, Mrs. S. Arrowood, and Dr. Marshall. Mrs. J. Basher, Sr., Mr. and Mrs. E. Marshall, and Gloria.

Mr. and Mrs. A. B. Smith and daughter, Gail, recently moved to their new home on Water Road. Mr. and Mrs. A. P. Best have sold their home on East Saanich Road and before leaving for Nairobi, Kenya, British East Africa, they will spend a short time in Victoria and Vancouver. They expect to be three months on their journey to Africa where they will reside.

George Nunn, East Saanich Road, is still a patient at Jubilee hospital. Mr. and Mrs. Jerry Bell have returned to Seattle by plane after spending the week-end at the home of the latter's parents, Mr. and Mrs. Wm. Dickerson, Wilson Road.

the evening, members were entertained by the Seattle Symphony orchestra at the Metropolitan theatre. Monday morning, the ladies were again taken on a sight-seeing tour to Mervin Island where they were luncheon guests at the homes of Rotary Annas. This was followed by a cruise on Lake Washington. Monday evening, the Rotary Annas joined their husbands at the conference banquet held in the Spanish ballroom at the Olympic hotel. To mark this event, each lady was presented with an orchid. Following the banquet, guests adjourned to the Metropolitan theatre where they saw "A Night of Stars." Tuesday morning, most of the ladies went on a shopping tour, only to arrive back in time to accompany (Continued on Page Ten)

CHURCH LADIES ENJOY TEA

A very successful tea and sale was arranged by the South of Beacon Circle of the W.A. United church on Saturday, May 12, in St. Andrew's Hall.

The sale was opened by Rev. E. S. Fleming with some suitable words.

A fine assortment of aprons, needlework, home cooking and candies was on display and found many purchasers.

Frank Aldridge accompanied by Harold Vine delighted the visitors with a couple of songs.

A very efficient staff in the kitchen served a delicious tea which was much enjoyed.

All these efforts grossed the sum of \$98 for the work of the circle.

A "500" card party was held last Friday evening in the South Saanich Institute Hall. There were five tables and the winners were Mrs. Farrell and Rev. Father D. M. Williamson. Refreshments were served later.

Miss Frampton, of Victoria, was a recent week-end visitor of Miss Lena Anderson, Telegraph Road.

Mrs. H. Sabine and Mrs. McDonald, of Vancouver, were visiting Mr. and Mrs. R. Lamont, last Tuesday and Wednesday, attending the funeral of their brother and uncle, the late P. Lamont, of Terrace.

AWARDS MADE TO TWO STUDENTS

Awards have been made by the Sidney and North Saanich Chamber of Commerce to two students at Mount Newton high school.

Herbert Steele and R. Greg Gilmer were the only contestants, reports Secretary F. B. Leigh, in the recent essay contest sponsored by his chamber. The contest invited essays from students in high schools in Saanich on the subject: "Is Freedom the Most Important Thing for Us as Canadians?"

Response to the call for essays was weak, stated Cmr. Leigh, and the students to whom the awards have been made were the sole contributors of manuscripts. In view of the lack of response the chamber decided that the essays should not be judged, but that an award of \$2 be made to each contributor. This has been forwarded to the principal, Arthur E. Voege, for distribution to the two boys.

COULD WIPE OUT MIDDLE CLASS

Warning that runaway inflation could destroy the backbone of the population of the country, the middle class, is contained in "The Rising Cost of Living: Its Causes," an article by Eric A. Steiss, Canada Trust Company.

His analysis, published in Business Quarterly, states: "They (the fixed income middle class) constitute the 'forgotten man' of today. It may well behave us to recall the disastrous events that have taken place in other countries where inflation completely wiped out the middle class."

He examined fundamental economic factors which, in the 15 years to January 1, 1951, brought about a decline of approximately 44 per cent in the purchasing power of the dollar on the basis of the cost-of-living index.

The article blamed the policies of planned money and welfare state spending adopted by the governments of many countries, including Canada.

Share the Wealth

"Since end of World War II a new philosophy has been born—the belief that governments can 'spend their way into prosperity.' Formerly the traditional purpose of taxation was primarily to meet government expenses and to produce a balanced budget. Today budgets are designed largely to allocate incomes and redistribute financial resources . . . to 'share the wealth.'"

SMALL CAR WINS AGAIN

A British utility car, the well-known Land Rover, was the joint winner in the 9,400-mile Algiers-Cape Town rally. The vehicle was first in the 12-20 h.p. class. Only repairs necessary on the run were for a flat tire and a broken speedometer cable.

YELLOWKNIFE FAMILY MOVES TO V.I.

Mr. and Mrs. F. D. Riley and daughter, Phyllis, have arrived from their former home at Yellowknife, Northwest Territories, and are visiting with the former's father, Fred Riley, of Keating. They plan to reside permanently on Vancouver Island.

BRENTWOOD

Donna and Dianne Shuman have been confined to their home during recent weeks, both being victims of the recent measles epidemic.

Mrs. James Dignan, formerly a resident of Sidney, is visiting at the home of her brother and sister-in-law, Mr. and Mrs. W. J. Dignan, West Saanich Road. Mr. and Mrs. Dignan have been living at Princeton, B.C., since leaving Sidney seven years ago.

Mrs. Roy Lee, Vancouver, was a visitor this week at the home of her son and daughter-in-law, Mr. and Mrs. Robert Lee, Elliot Road. Mrs. Lee, Sr., returned to Vancouver on Sunday, accompanied by her young granddaughter.

The first "Rolling Wheel" of the 1951 season spent Saturday night at the Brentwood Bay C.Y.H. hostel. The group consisted of five members of the University of Washington Cycle Club, Patricia Jensen, Vida West, Betty Manning, Wm. R. Head and Leslie R. Berger. All the young people expressed great pleasure in the trip and expect to come again with a larger group.

Mrs. W. J. Dignan has returned from a two weeks' holiday on the mainland. Travelling from Port Angeles down the Olympic Peninsula and then on to Kamloops, she reported that the roads around the latter city were "awful". In parts, said Mrs. Dignan, the hard top has broken up in the frost and stands on edge a foot or so above the surface. The Brentwood traveller also commented on the schools on the mainland. Nearly every small town or village has a new school, she remarked. In one instance, after having completed a school the parents in one community decided that it was too far away and refused to send their children there.

MORE ABOUT COUNCIL

(Continued from Page One)

settling down to a keen debate when Mr. Bickford released the wind from the sails. The insurance company was handling the case, he informed council.

Cheap Deal

Council was presented with a bill for \$1,989 in respect of the costs of the apportionment board. Councillor Thomson considered that "we got a cheap deal on that board". He observed that the council had given the reeve authorization to sue for a share in the assets of the waterworks, why had he not done so? The reeve considered the question absurd. His only channel was through the representative. He retorted with the counter question that if Councillor Thomson had opposed the exclusion of Central Saanich from those assets, why had he approved the findings of the board?

Councillor Thomson commented that he had also had legal advice on the question. In regard to obtaining a share of waterworks the reeve had "quit", he observed. "It was you that let us down," replied Reeve Pickles.

Councillor Thomson wanted to devote his share of the payment from the board to a fund for the relief of indigent pioneers. The matter was not finalized at the meeting.

No Action

A letter from T. Amos, manager of the Binegar Farm at Island View Beach, stated that he had been advised by the attorney-general's office on the procedure to be adopted when a road was closed. While council had been waiting for a letter from Mr. Amos explaining

**SAANICHTON**

Mel Young, son of Mr. and Mrs. F. Young, Wallace Drive, left last week-end for Salmon Arm, B.C., to spend the summer months.

Mr. and Mrs. Rozell and family, East Saanich Road, moved this week to Happy Valley, where they will make their home.

Mr. and Mrs. Andy Johnstone, East Saanich Road, have taken temporary residence on Clarke Road, Brentwood.

Mr. and Mrs. Wayne Garrett and family were visiting at the home of Mr. and Mrs. F. Young, Saanichton, and returned to their home in Port Angeles over the week-end.

Kelly Troup, Mount Newton Cross Road, and formerly on the staff of Woodwyn Farm, is now with the Mount Newton Garage, East Saanich Road.

An executive meeting of the Saanichton Community Club was held this week with the president, R. Godfrey, presiding. Business matters discussed included the possibility of entries for the Vancouver Island Beauty Contest, from the club, the matter to be looked into more fully. Plans for the softball season are well under way, and Bert Bickford, Morley Bickford and Bob Godfrey were named as a committee in charge of softball affairs.

THOUGHT IT WAS COUGAR—IT WAS!

Two of Brentwood's venturesome young Scouts spent a memorable night at Durrance Lake this week. Snug in their sleeping bags near the lake shore, they were surprised to hear what they thought must be a large dog drinking near by. Having satisfied its thirst the animal walked off into the brush. Both boys saw it clearly and thought it might be a cougar.

Breaking camp early in the morning they found their guess had been correct, there stood a good sized cougar having his morning drink from the lake. The boys remained still until the big cat made his way into the bush without having suspected their presence. No thought of bounty crossed their minds.

INJURED IN FALL WHILE AT WORK

Milton Thornley, of Brentwood, suffered an injury to his shoulder when he fell while at work last Wednesday. He was stepping from the tower mixer at the Victoria plant of Evans, Coleman and Johnson, when he tripped and sustained a fractured shoulder. He is making good progress, but does not anticipate a return to work for a considerable time.

his position, Mr. Amos was awaiting a letter from the council.

He was well acquainted with the removal of signs and barriers, explained Mr. Amos. At one time he had been furnished with the services of a roads foreman and a policeman to effect the removal of such. A brief discussion took place, but no action was called for.

Council was amused by the letter from the Army, Navy and Air Force Veterans of Canada, supporting Mr. Amos. That authority stated there should be a "valid reason for jeopardizing the livelihood of a veteran". It was not accepted by council that such jeopardy existed.

Leaves For Prairie Racing Circuit

Merrill Harrop, prominent Brentwood trainer and breeder, will leave on Monday for the prairie circuit. He is taking two horses, Danger Mark and Shake Again. Both these horses achieved excellent results in last year's racing. Shake Again was in the money every time she ran

and came in first in her maiden race.

Mr. Harrop is confident of a successful season.

NEW AIRSHIP

A new airship is to be demonstrated in Britain this summer before the Royal Aeronautical Society at their annual gathering in May. Other interesting exhibits will be a kite which can lift a man.

PAUL SCOONES ENTERTAINS ISLAND LEGION

Paul Scoones, who has been secretary of the Gulf Islands branch of the Canadian Legion, No. 84, for the past 17 years, resigning that position on January 1, of this year, entertained the Galiano members of the branch to dinner on Saturday, May 5, at the home of his brother and sister-in-law, Mr. and Mrs. A. E. Scoones.

Following the dinner, a toast to the Royal Family was called and Mr. Scoones made a brief speech when he mentioned with regret the secession of Pender Island from the old branch.

Nostalgia Later in the evening the party was entertained by songs by Col. Macgregor Macintosh accompanied by the hostess, Mrs. A. E. Scoones, at the piano. Many of the songs were nostalgic with memories of Legion gatherings over the past 25 years.

Those present were Col. and Mrs. Macgregor Macintosh, Mr. and Mrs. J. P. Hume, A. E. Scoones, L. T. Bellhouse, D. A. New, G. W. Georgeson, F. G. Cluness, R. P. Russell, L. A. Good, M. Walker, T. Carolan, B. Blackwood, W. A. Scoones and S. Spurgeon.

Nurse Appointed To Indians

Miss Jean MacDonald has arrived at Brentwood from the east coast. A native of the Maritimes she has taken up the appointment of district field nurse for the Indians within the area of the Saanich and South Vancouver Island Health Unit.

Miss MacDonald comes from Big Bras d'Or, N.S. She trained at Hamilton Memorial Hospital in Ontario and graduated as bachelor of science at the St. Francis Xavier University in Antigonish, N.S.

The newly appointed nurse is keenly interested in Indian health and welfare problems.

She is residing on Stelly's Cross Road in the home formerly occupied by Mr. and Mrs. R. M. Lee. Her mother, Mrs. E. MacDonald, is staying with her as her guest for a short time.

MAKE PLANS FOR BIRTHDAY TEA

At a small executive meeting of St. Mark's Church Guild, held last week at the home of the secretary, Mrs. Cecil Springford, details were worked out for the forthcoming birthday tea. It was decided to hold the tea on Thursday, May 17, at the Rectory, Ganges, with the president, Mrs. A. B. Cartwright, convening.

There will be a plant stall in charge of Mrs. H. A. Robinson and Miss Frena Aitkens, and from a large novelty birthday cake numerous small gifts will be sold.

It is hoped that it will be possible to repeat this class with a much larger number in the fall when a home nursing class will begin.

GANGES CHAPTER I.O.D.E. HEARS REPORTS OF VARIED ACTIVITIES

Ganges Chapter, I.O.D.E., held its monthly meeting last Friday, May 4, at Harbour House, Ganges, with the regent, Mrs. V. C. Best, in the chair.

Correspondence included a letter from the Salt Spring Island school acknowledging, with thanks, the promise of a \$25 scholarship; one from Clearwater conveying the thanks of the school for the gramophone sent and explaining there was nothing there but bare necessities, a member offered records which, together with a supply of books for the school library, will be forwarded; another from Miss Tillie Rolston, regretting she was unable to visit the island in May and must postpone her lecture until July or August.

The treasurer's report showed a balance of \$31.76. The post-war convener had on display a wonderful collection of garments made by the members for shipment to headquarters in Vancouver. It was decided that the beautiful shawl, knitted by Mrs. Littledale, of Mayne Island, and donated to the chapter for the benefit of the funds, will be the prize in the forthcoming contest to be conducted by Mrs. J. C. Kingsbury. The shawl is at present on show at the Ganges Pharmacy.

The chapter voted, \$6.50 for a camp flag for the local Girl Guide company.

Appeal for Donations Mrs. George St. Denis reported sending off a good food parcel to England in April and appealed for more donations to enclose with the May consignment.

It was arranged to hold a bridge, cribbage and canasta party to which everyone is welcome. It will be held at the Mahon Hall on Wednesday

evening, May 30, under the convener'ship of Mrs. George St. Denis, Mrs. Bishop Wilson, Mrs. F. H. Newnam, Mrs. E. Adams and Miss Frena Aitkens.

The remainder of the afternoon was given up to the hearing of a report from Mrs. Best of the provincial annual meeting which, accompanied by the standard bearer, Miss B. E. M. Beddis, she had attended in Victoria and at which she had been appointed provincial convener of Commonwealth and Empire work.

Tea hostesses were Mrs. J. Byron and Mrs. Davis Simon.

Increased Entries At Mayne Island Flower Show

A spring flower show and tea, under the auspices of the Mayne Island Horticultural Society, was held recently at Grandview Lodge, the home of Mrs. Naylor, who lent her home for the occasion.

There was a fine showing of flowers and an increase of entries over last year. The tulips were specially good and the collection of flowers and pansies was very attractive for this time of year.

Tea was served all afternoon and there was a very good attendance.

The prize list follows: bowl of tulips, 1, Mrs. Jones; 2, Mrs. Maiden; Best tulip in show, 1, Mrs. Ralston, 2, Mr. Payne; collection of spring flowers, 1, Mrs. R. T. Gilman; 2, Mr. Payne; pansies, 1, Mrs. R. T. Gilman; 2, Mrs. G. B. Gilman.

News is formed from the first letters of North, East, West and South.

The Wise Gardener
 Notes From Saanichton Experimental Station

It is now time to sow sweet corn. This crop may be grown either in continuous rows or in hills.

Where the land is free of weeds or plots are comparatively small, the continuous row method is usually adopted, and is considered to result in the largest yields.

By this method, two seeds are sown at intervals of 10 to 12 inches, with rows spaced from 30 to 36 inches apart. Generally speaking, late, more vigorous varieties are given somewhat more room than earlier, dwarfier sorts. After the young plants are well up, they are thinned so that one plant only is allowed to stand at each position.

The other method, popular on weedy land, is to sow in check rows. This consists of sowing four or five seeds in hills 30 to 42 inches apart

each way, according to variety, thinning subsequently to three plants.

In this system cultivation by wheel hoe or power driven cultivator may be done in both directions, resulting in effective weed control, which is particularly important in reducing production costs in a commercial planting.

There are 55 distinct experiments being carried out at the present time with tree and small fruit crops at the station.

These experiments cover a great variety of work such as variety testing, pollination studies, methods of

pruning, rootstock trials, fertilizer trials with strawberries, mulch trials with most tree and small fruit crops, breeding of strawberries, brambles and apples; methods of grafting, chemical thinning of pears, soil fertility studies in newly cleared land and irrigation experiments with four fruit crops. Mulch trials cover the use of sawdust as a surface mulch tree and small fruit crops; also the effect of incorporating sawdust with the soil.

Before work is started on an experiment, a complete outline is drawn up setting forth its object, importance, literature review of work already carried out along related lines, procedure, detail of plot size, treatments to be applied, records to be kept and other data.

When this outline has been drawn up it is carefully revised by other members of the staff then sent to the Director, Experimental Farms, Ottawa, for further review and approval. This close scrutiny of all work undertaken insures that investigations carried out are important and that methods are sound.

A small publication covering all experiments in progress at this station is available on application.

To Provide Information

Individuals or firms which produce new varieties of carnations or snapdragons and florist crops will soon be able to obtain a reasonably fair and impartial evaluation of their new introductions, according to the latest plans of the Society of American Florists.

The plan also will give a plant breeder or introducer a useful means by which he may judge the merits of his new strains, and give an additional way of speeding acceptance by the trade of those varieties which are meritorious.

This plan which was approved last year, is under the capable direction of G. Carl Ball of the well known firm, Geo. J. Ball, Inc. To start with, carnations and snapdragons will be the first to be considered.

After the plan gets well under way trials will be set up for chrysanthemums, potted plants and other commercial crops.

Florists in general will agree the plan is a definite step forward, and all will look ahead with interest to

FOR GREENER FIELDS AND GREENER YIELDS

GREEN VALLEY FERTILIZER

WHEN DID THEY OPEN UP THE WEST?

The "opening up of the west" didn't end when the railroads and the settlers and the wheat had come. Nor is it ended today. It is a continuing story of our country's growth and each generation adds its chapter.

Today it is prairie oil that holds out new opportunity, bringing with it new benefits and new security.

In four years discoveries in the west have increased Canada's proven oil reserves more than fifteen fold and the production of crude is six times what it was. These advances, and the half-billion dollars the oil industry has spent on them, have not benefited the west alone. All of Canada is stronger and more prosperous.

Our people and our factories have been made busier by the needs of the growing oil industry. There are new jobs and new businesses. Many millions of dollars once spent for foreign oil now stay at home—or are available for other purposes. And of special importance, our supply of oil is being made more certain, less dependent on sources beyond our borders.

Opening up of the west goes on, bringing closer Canada's self-sufficiency in oil, giving new strength to the nation.

About Canada's Oil

Imperial has drilled more than 1,000 wells in western Canada searching for and developing oil fields.

The oil industry is expected to spend about \$4 millions a week on exploration and development in western Canada this year.

By replacing imports, production from Canada's new oil fields is expected to save 150 million U.S. dollars in 1951.

POWER COMMISSION TO OPEN NEW PLANT

British Columbia Power Commission announced this week that its new 33,000 horsepower initial capacity Whatshan hydro development would be opened formally on June 28.

On that date the Honorable E. T. the reports and recommendations on the commercial value of each variety which will be made available to the trade, to Society members and trade papers.

ATTENTION PARENTS!

Whooping cough is one of the greatest killers of children under three years of age. This loss of precious life could be avoided by proper treatment. Your physician is prepared to protect your child. Don't wait until it is too late. Immunization against whooping cough is a simple procedure, but the disease is extremely difficult to cure. Other diseases against which every child should be immunized are tetanus, diphtheria, and smallpox. We carry all recognized immunizing agents subject to your doctor's orders.

Crusty, Crunchy DINNER ROLLS

• They're really ritzy — and no trouble at all to make, with new Fleischmann's Fast Rising Dry Yeast! Gives you fast action — light doughs — and none of the bother of old time perishable yeast! Get a dozen packages — keeps full strength without refrigeration!

CRUSTY DINNER ROLLS

• Measure into a large bowl 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 mins., THEN stir well.
Add 3/4 c. lukewarm water and 1 tsp. salt. Add all at once, 3 1/2 c. unbleached bread flour and work in with the hands; work in 3 lbs. soft shortening. Knead on lightly-floured board until smooth and elastic. Place in greased bowl. Cover with a damp cloth and set in warm place, free from draught. Let rise until doubled in bulk. Punch down dough in bowl, fold over, cover and again let rise until doubled in bulk. Turn out on lightly-floured board and divide into 2 equal portions; shape each piece into a long roll about 1 1/2" in diameter. Cover with a damp cloth and let rest 15 mins. Using a floured sharp knife, cut dough into 2" lengths and place, well apart, on ungreased cookie sheet. Sprinkle rolls with cornmeal and let rise, uncovered, for 1/2 hour. Brush with cold water and let rise another 1/2 hour. Meanwhile, stand a broad shallow pan of hot water in the oven and preheat oven to hot, 425°. Remove pan of water from oven and bake the rolls in steam-filled oven for 1/2 hour, brushing them with cold water and sprinkling lightly with cornmeal after the first 15 mins., and again brushing them with cold water 2 minutes before removing baked buns from the oven. Yield — 18 rolls.

British Livestock

A consignment of British livestock was recently loaded aboard the "Good Hope Castle" at the Victoria and Alberni docks, London, for shipment to South Africa. The export of British livestock is greatly increasing, and in this consignment 12 Jersey cows, 10 Ayrshire heifers in calf, and a number of Aberdeen Angus cattle were dispatched. The 10 Ayrshires are for exhibition at the Witwatersrand Easter Show and will afterwards be sold by auction. Also included in the livestock are a Saanen billy-goat, three deer, and five large white pigs. This picture shows the Ayrshire heifers being unloaded from a cattle truck before being loaded aboard ship.

In 1950 steel ingot production in Canada topped the three million-ton mark for the third successive year.

Mrs. F. Storey Heads Mothers' Group

Mrs. F. Storey was elected president of the Guide and Brownie Mothers' Association recently.

The meeting was at the home of Mrs. F. Gilbert, Third St., Sidney. Arrangements were made for the mother and daughter banquet to be held May 21. Plans for the nursery during the Sidney jubilee celebrations were made. Preliminary arrangements were also made for the float which will be entered in the jubilee parade.

Other officers elected were: secretary, Mrs. T. Morgan; treasurer, Mrs. George Gray. Reports from Mrs. Gilbert and Mrs. O. Thomas regarding activities of the Guides and Brownies were made. Refreshments were served at the close of the meeting.

Ladies A.N.A.F. Group Is Active

On Thursday, May 10, Ladies' Auxiliary, 63, Army, Navy and Air Force Veterans, held their regular monthly meeting in St. Andrew's Hall. President Mrs. H. Coward presided and 15 members were present.

A letter of thanks was received from F. Aldridge and H. Vine for gifts they received for singing at the Auxiliary's anniversary tea.

Mrs. L. B. Scardfield, who is acting as chairman of the entertainment committee in the absence of Mrs. Ivy Bennett, reported on the luncheon served at the A.N. and A.F. convention, April 28. Many compliments were received by the committee. The following ladies were thanked by Mrs. Scardfield for their hard work and co-operation: Mesdames K. Waters, A. Cronk, M. Wood, A. Milling, H. Murrie, S. Coward, H. Coward, G. Bath and J. Henriksen.

Due to the fact that Mrs. M. Bryson has moved to Victoria, the position of sergeant-at-arms became vacant. Mrs. K. Waters was duly elected to fill this office.

The tombola was won by Mrs. H. Coward.

All members were reminded to turn in their tickets for the provincial command by the next meeting, which will be held Thursday, June 14. This will be the last meeting until September.

Following the meeting, tea was served, with some tasty shortbread cookies brought by Mrs. Murrie.

Egg Prices Soar As Supply Increases

Poultry market report as supplied by the Dominion Marketing Service, Vancouver, follows: egg prices on the market here, which last week were on a split basis, settled this week at the top valuation, an increase of two cents dozen on all "A" and "B" grades and five cents on peewees. Competitive bidding for local receipts is so keen that premiums above going prices are being offered.

Deliveries from prairie points are about making up requirements and grade "B" stock is being included in these carlots and going to the breakers.

Local retail sales are reported as holding fairly steady, while northern and Alaska shipments were up. The demand from Vancouver Island dropped last week.

Receipts through registered station in B.C. were down three per cent.

The poultry market is showing more activity, with an increased supply of fowl, chicken and broilers arriving, but with no surplus as yet to freeze, except broilers. Breeder turkeys are now appearing, with only fair consumer buying. It is estimated there will be, approximately, 10,000 breeders marketed in the next few weeks.

YOUNG CANADIAN ACTOR TOURS BRITAIN

Upper Canada College Preparatory School's Little Theatre is undertaking an ambitious tour in Britain next summer, with their production of Thornton Wilder's "Our Town". The boys will play in Liverpool, London, Edinburgh and Bedford, and at famous old Harrow school and Wellington college.

THE REVIEW'S MARKET LETTER

(By H. A. Humber, Ltd.)

Pressure on the New York market developed from higher tax proposals which came at a time when the effect of levies already on the books was illustrated in lower quarterly reports for leading automotive companies. The list will have little more of this type news to digest this week, however, and the street feels that much of the fear over the possible effect of higher imposts may have been discounted in the heaviness late last week. Some feel that tax news may be more on the favorable side from now on since the senate is thought likely to trim parts of the house measure when it is completed. This may mean that foreign news again will come into greater prominence as a market factor, brokers think.

WINS STATUE IN RELIGION QUIZ

Mrs. W. Harris was the winner of a statue of Our Lady in a quiz contest on the Liturgy (ritual) of the Mass, held on Sunday at the home of Mr. and Mrs. W. Jameski, Cranberry, Salt Spring Island.

The competition between the Catholic Men's Organization and the Catholic Women's League, which together had formed a study club last winter, was won by the women. Judges were Rev. Fathers J. Cyr and I. Le Clerc, of Duncan. Rev. Father M. Lariviere, Fulford, was moderator.

The visiting priests congratulated all taking part on their good work and thanks were extended to Father Lariviere for his co-operation in making the study club possible.

Refreshments were served by Mrs. Jameski, assisted by Mrs. Harris.

PLAN CHURCH FETE FOR AUGUST 1

The monthly meeting of the Salt Spring Island branch of the Women's Auxiliary was held last Friday afternoon in the parish room, Ganges. Mrs. G. H. Holmes presided and, with Archdeacon Holmes, took the devotional period.

It was decided to hold the annual church fete at Harbour House on Wednesday, August 1. To obtain materials to make into articles for the fete a shower will take place in the parish room on Tuesday, May 29, where tea will be convened by Mrs. S. P. Beech and a plant and flower stall by Mrs. H. A. Robinson and Mrs. J. Byron.

Mrs. F. H. Baker read the Bishop's letter from The Challenge and tea was served by Mrs. Byron and Mrs. W. Eagles.

PRETTY DOUBLE-RING CEREMONY AT FULFORD CATHOLIC CHURCH

Muriel Ruth, daughter of Mr. and Mrs. Austin Martin, was united in marriage to Reuben Francis Parker, at a pretty double ring ceremony at Fulford Catholic Church on Saturday, May 12. Rev. Fr. M. La Riviere solemnized the marriage.

The altar was banked with baskets of iris, lilac and dogwood. Amid red and yellow tulips and bluebells tall candles glowed.

The bride wore robin's egg blue with white accessories. She carried a large corsage of gardenia and lily of the valley.

Matron of honor, Mrs. Harry Roland, was in navy blue sheer with white accessories and pink rose corsage.

Mother of the bride was attired in navy blue print, white hat and white accessories. She carried a red rose corsage.

The bride's parents received more than 75 guests at their Ganges home after the nuptial mass. Under an arbor of lilacs the couple received the toasts of their friends.

The table, decorated with pink and blue tall tapers was centred with a three-tier wedding cake. Mr. and Mrs. Parker will make their home at Port Washington.

Guests
Among the guests were Mr. and Mrs. Wally Lasseter, Mr. and Mrs. Pete Roland, Mrs. Hazel Tahouney, Mrs. Douglas Lasseter, Mr. and Mrs. Harry Roland, Mr. and Mrs. Leo Harris, Mrs. Vance Weller, Andy Diner, Mr. and Mrs. Harry Nicols, Mr. and Mrs. Claiborne, Mr. Hedger, Bill Lumley, Eric Nelson, Mr. and Mrs. Steve La Fortuna, Mr. and Mrs. Ken Tahouney, John Whims, Mr. and Mrs. Carl Howard, Bruce and Bill Sampson, Mrs. Herbert Tahouney, Mr. and Mrs. V. HOSPITAL DAY AT GANGES

Hospital Day was observed at the Lady Minto Gulf Islands Hospital last Thursday, May 10, when over 100 residents of Salt Spring Island were welcomed by Mrs. Warren Hastings and Mrs. George St. Denis, respective presidents of the board and Women's Auxiliary, also by the matron, Mrs. Beth Petersen.

In the main corridor, decorated by Mrs. George Lowe with a profusion of tulips, lilac, narcissi and sweet peas, Mrs. W. M. Mount and Mrs. E. Parsons received the shower of donations, numbering about 100 and including bed and table linen, towels, glass, pyrex, collection of groceries and canned goods.

Mrs. J. Kelsey, with her plants, and Miss Mary Lees, with her miscellaneous articles, did a good business at their respective stalls and in the afternoon contest Miss B. Hamilton, Fulford, carried off the first prize, a hamper of groceries; the second, a picture, was won by Mrs. M. C. Lee, Fulford.

At the tea hour refreshments, under the convenship of Mrs. H. C. Carter and Mrs. W. M. Palmer, were served by the nursing staff and during the afternoon, fortune telling, by cards and cup reading, was carried on by Mrs. Beulah Hunt.

IMPRESSIVE SUM IS RAISED BY FIREMEN

Firemen's hall at Fulford was a great success on the evening of Friday, May 11, when the community hall was gay with a capnetty crowd of revellers. Proceeds will be devoted to the acquisition of fire-fighting equipment. The sum of \$337 was raised.

The hall was brightly decorated with colored streamers, bouquets of red and pink tulips and lilacs.

In a setting of vine-covered trellis, representing a garden scene, Tester's orchestra supplied the music. The colored gaiety was completed by the distribution of paper hats and balloons.

Highlight of the evening was an escapist exhibition.

Prizes were all donated by merchants of Ganges and Fulford. Announcements and prize distribution were carried out by Mr. Barker, Donald Goodman and Bob Akerman, chairman of the volunteer fire brigade handled the arrangements.

Among the many prize-winners were Mrs. G. Parsons, Mrs. Mervyn Gardner, spot dance: Mrs. Roy Winkell, Mr. Eaton, Jr., statue dance: remainder of the spot dances were won by the following: Mrs. Snow, Mr. Day, Miss Patterson and W. Hogue, Mr. and Mrs. Wm. Harris, Mrs. Melezaki and Donald Layard.

Refreshment convener was Mrs. Betty Coleman.

Miss Helen Colpman Is Entertained

In honor of Miss Helen Colpman, who has been spending a few days on Salt Spring Island, Miss Emily Smith and Mrs. Jack E. Foster entertained nearly 30 guests last Friday at a delightful coffee party, given by them at the home of Miss Smith, "Tantramar," Vesuvius Bay.

Greatly interesting to the guests present was the little talk on skin care given by Miss Colpman, who is an authority on this subject. It is planned to have two or three more coffee parties when Miss Colpman visits the Island later.

Among those present were: Mrs. J. B. Acland, Mrs. J. G. G. Bompas, Mrs. C. D. Bury, Mrs. R. T. Britton, Mrs. A. E. Duke, Mrs. J. H. Deyell, Mrs. A. Francis, Mrs. Tom Fowler, Mrs. F. S. Fowler, Mrs. Warren Hastings, Mrs. L. Parham, Mrs. R. F. Meyer, Mrs. Colin Mout, Mrs. E. Quale, Mrs. F. Ross, Mrs. A. J. Smith, Mrs. Cecil Springford, Mrs. John Sturdy, Mrs. W. Stevenson, Mrs. W. K. DELEGATES CHOSEN FOR JUNE CONVENTION

With Mrs. R. T. Britton presiding, the Salt Spring Island branch of the Catholic Women's League held its monthly meeting recently at the home of the president, Vesuvius Bay.

Mrs. R. T. Britton and Mrs. Geo. St. Denis were appointed delegates to the C.W.L. convention to be held on June 13 at Port Alberni.

Plans were made for a sale of work and tea, to be held under the convenship of Mrs. A. McDonald and Mrs. H. J. Carlin, at the home of Mrs. Britton, Vesuvius Bay, on Wednesday, June 27, when home cooking, fancy and plain needlework will be for sale.

Tea hostesses for the afternoon were Mrs. M. Gyves and Mrs. Carlin.

COMPREHENSIVE DESCRIPTION OF AREA IN STUDENTS' VOLUME

A book, depicting aspects of life on the Saanich Peninsula, has been written, edited, and compiled by the students of North Saanich high school. The book is to be donated to the provincial committee of the Junior Red Cross who, in turn, will have it translated into the language of a foreign country (designated by the local students) and then send it to a school in that country. The purpose of the book is to acquaint children in a foreign land with living conditions enjoyed by people of North Saanich.

Covers of the volume are of birchwood with a dogwood design planned and burnt in by a grade nine student, John Webster. The preface consist of maps which easily enable the reader to fix the locale of the book. The following 36 pages are devoted to the industries of the Peninsula, activities of the high school, places of interest and Indian customs. A page is devoted to Canadian stamps and several to the hobbies of the students of the school.

Return Receipt
North Saanich students will receive a volume from a foreign country in return.

Miss N. Jones, Red Cross sponsor at the school, and N. E. West have supervised the preparation of the volume, with signed articles having been contributed by: John Webster, Megan Roberts, Lois Wilson, Donna

Indian Wedding At East Reserve

Accompanied by the celebration of a nuptial mass at the Church of Our Lady of Sorrows, at East Saanich Indian Reserve, on Saturday morning, Grace Henry, daughter of Richard Henry, became the bride of George Horne, nephew of Isaac Jack. Both families are prominent among the Indians of Saanich Peninsula. Rev. Fr. X. Lauzon solemnized the marriage.

Matron of honor was Mrs. G. Pelkey, while Mr. Pelkey was best man. Helen Jack was bridesmaid and little Patricia Underwood was flower girl. Norman Underwood was usher and Mrs. Albert Pelkey led the choir.

About 50 guests attended the wedding breakfast at the community house.

NEW PARKING ARRANGEMENTS AT AIRPORT

No information has been received in this district as yet concerning the plans of the Department of Transport in Ottawa with regard to payment for parking at Patricia Bay Airport. Strong protest against the proposals were voiced last week. Tenders, which had been invited for the concession of operating a parking lot at the airport, were to be opened in Ottawa on Tuesday of this week.

Whether or not a contract has been let has not yet been announced.

Traffic Increasing
In connection with the parking arrangements at the airport, The Review is informed by Keith Robinson, airport manager, that the location of the free parking area has been moved a short distance further away from the hangar because steadily increasing airline traffic has made the former lot inadequate.

Mr. Robinson, working in close co-operation with J. A. McDonald, T.C.A. station manager, has put into effect a new system which facilitates the arrival and departure of airline passengers at the airport. Every consideration, The Review is informed, is being given to more efficient handling of the maximum of passengers as easily as possible. This new system of handling traffic is entirely separate from and will not be affected by a paid parking area at the airport.

C.E.F. REUNION

The 88th Bn. C.E.F., will be holding their 25th annual reunion dinner at Loughheed's banquet hall, in Victoria, on the evening of May 23. Tickets may be procured from the secretary, R. Mould, 2324 Blanshard St., Victoria.

Dancing was enjoyed and supper was served by Eddie Eng.

Miss Enos, head of the telephone exchange in Sidney, has returned from a week's vacation. While away she attended the pioneer telephone convention held in Vancouver.

Mrs. H. Bell returned to Vancouver this week after visiting her mother, Mrs. G. Spencer, also her sister, Mrs. J. D. Musclow, Third Street.

Final Donations To Re-Building Fund

A further \$70 has been received by the Watson Smith Rebuilding Fund this week. The fund closed two weeks ago, but additional donations are still being received.

The fund was opened some months ago after a disastrous fire at the Madrona Drive premises of Deep Cove General Repairs. Over \$1,000 has been subscribed to assist the proprietor, Watson Smith, to reconstruct his garage and general engineering business. The loss amounted to \$15,000 and insurance coverage was considerably short of this figure.

A group of residents grouped together and organized a rebuilding fund. In addition friends and neighbors of Mr. Smith volunteered labor and material to accelerate the construction project.

The reconstructed premises are now almost completed.

Recent donations were from the following: Standard Oil Company, \$50; M. B. East, \$10; J. J. Sagan, \$5; Harold Norris, \$5.

Cod are perhaps the most important of all marine resources of Quebec's Ungava Bay from the point of view of possible development as an Eskimo fishery.

LAST RITES FOR AGED SIDNEY PIONEER

Large numbers of mourners followed the funeral cortege of George Julius Shepard on Tuesday, May 15. Many old-timers of Sidney and North Saanich were represented at the last rites of the 89-year-old pioneer.

Mr. Shepard passed away on Saturday, May 12.

A native of Victoria, Mr. Shepard had lived on the coast all his life.

His father came to the Peninsula in the early years of its development. Shortly after the middle of the last century the older Mr. Shepard built one of the first mills at Royal Oak. He was a New Yorker. In 1874 the family moved to Salt Spring Island, where young George was able to attend school.

George Shepard was married in 1880. Mrs. Shepard is also a native of Victoria. For a time the couple resided in Victoria. Later they moved out to Sidney where there was more work for a carpenter. For many years they lived at Patricia Bay, where the airport now stands.

During his lifetime Mr. Shepard only left the district twice. In 1879 he was employed at Tacoma. Later he also lived in Alaska for a time.

Besides his wife, Emma, he is survived by two daughters, Mrs. Levi Wilson, of Sidney, and Mrs. Vincent Thomas, of Westholme; six grandchildren, 13 great-grandchildren, and one great-great-grandchild.

Funeral services were held at the Bethel Baptist Church, when Rev. H. B. Bye officiated. Interment followed in Shady Creek Cemetery.

Heavy Program Is Featured At Sports

For the fourth successive year House III. captured the Keating cup at Mount Newton's annual sports day on Friday, May 11. House I. was runner-up. First house to win the trophy upon its presentation, in 1927, was House II.

This year, the H. T. J. Coleman Library shield went to House I. with House II. the runner-up.

The senior boys' cup went to Ken Curl, runner-up being Ronnie Karadimas. The senior girls' trophy went to Valerie Bate, who held only a one-point lead over Marilyn Quayle.

In junior events, David Hancock carried off the B.C. Electric cup and Joanne Gait won for the girls. Runners-up were Alex Hetherington and Frances Minter, respectively.

The sports program included 56 items for three major age groups. Full results will be published in next week's Review.

Country Fair Realizes \$380

Gross receipts from the Mount Newton Country Fair held at Saanichton Agricultural Hall, amounted to \$381.10. Treasurer M. Connor reported at the May meeting of Mount Newton P.T.A. Expenses were estimated at approximately \$135.

Action will be continued with respect to the installation of a public address system in the school. L. T. Salmon, J. A. Waistell and C. H. Benell were appointed a committee on this matter.

A "bee" to carry out work to effect repairs and do other work on the tennis court was called for Saturday with Mr. Salmon, Mr. Benell, Adrian Butler and Mr. Miller volunteering.

Mrs. Bryan To Live In Victoria

The Scout and Cub Mothers' Association held their regular monthly meeting at the home of Mrs. D. Allen, Third St., on Wednesday, May 9. Chairman was Mrs. C. Hetman, and 14 members were present.

Parents were urged to offer transportation for Cubs to the Rally in Victoria on June 9 at MacDonald Park.

Arrangements for Sidney Day were discussed, and referred to Mrs. Slater and Mrs. Shanks for completion.

Mrs. Jordan agreed to represent the Mothers' Association at the Scouters' Council each month, bringing or sending her report to the regular meeting of the Mothers' Association.

All present were very sorry to learn that "Akela" Margaret Bryan was moving to Victoria and must therefore resign her position as leader of Sidney's "B" Cub pack. A gift and a lovely bouquet were presented to Mrs. Bryan, with the sincere thanks of all the mothers, and best wishes for success in her new job in Victoria.

Mothers were reminded that the "B" pack would meet at 5:15 p.m. until the end of this term, in order
